HEMP Grow Site Consent Form

The Maine Department of Agriculture, Conservation and Forestry (DACF) Hemp Licensing Program may contact the property owner for additional information or verification if needed. Any false information submitted to DACF could result in the denial or suspension of the hemp grower's license. For more information visit <https://www.maine.gov/dacf/php/hemp/>

Grow site consent (To be filled out by property owner)

I am the property owner or property owner's legal representative of the address listed below. I give consent for the grower(s) listed on this form to grow HEMP at this property location. I understand that the grower(s) listed below will allow employees of MAINE DACF and USDA AMS to access my property at the address /GPS coordinates listed below in order to inspect for compliance with State of Maine and federal laws. For outdoor grow sites, consent is valid for current year grow season, unless specified otherwise. For indoor facilities, the timeframe must be specified by the owner. A new consent form must be submitted with each hemp license application.

Grower's name(s):
Grow site address/GPS coordinates:
Grow site town and ZIP code:

I am the (check one): Property owner Property owner's legal representative **

** If the individual is a legal representative, proof must be included with this consent form.
