Name: Brian Arel **Tel:** 207-590-6852 **Email:** brianarel@hotmail.com

Prices: Prices are with shipping terms of “Free on Board (FOB) – Destination”. The State intends for this to mean that all goods shall be priced to include shipping charges, if any, to the State’s desired location. The “FOB – Destination” shipping term is also intended to mean that the State shall not bear any responsibility for the goods in question until the State takes possession of them at the destination point of delivery.

Price and Rate Guarantee Period: All quoted prices and rates must be guaranteed for and must remain firm for minimally one year of the initial contract period. Any approved price or rate adjustments must be held firm for minimally one year. Price adjustment requests must be made by the vendor at least sixty (60) days prior to the effective date. Requests for price adjustments must include sufficient documentation from the manufacture supporting the request. The price adjustment will not go into effect until the contract amendment has been fully approved by the State of Maine.

State of Maine Subcontractors: Currently the MaineDOT utilizes a contractor to furnish parts and supplies and operate stocking facilities within their facilities. The vendor is required to sell all contracted items to their, and any other State of Maine subcontractor providing this type of service to any State agency or department, at the contracted pricing. The items sold to said subcontractors at contracted pricing must be for State of Maine use only.

Quantities: It is understood and agreed that the MA will cover the actual quantities required by the State over the length of the contract.

The Division may reject the entire shipment where it consists of a quantity of similar articles and sample inspection discloses that ten (10%) percent of the articles inspected are defective, unless Contractor agrees to reimburse the Division for the cost of a complete inspection of the articles included in such shipment.
