

ASBESTOS INSPECTION FORM

MAINE DEPARTMENT OF ENVIRONMENTAL PROTECTION
Lead & Asbestos Hazard Prevention Program
17 State House Station, Augusta, Maine 04333

This form is used to determine if an inspection for asbestos is required prior to renovation or demolition projects

If your project involves the demolition and or renovation of a single family residence or a residential building with less than 5 units, please answer the following questions to determine whether you need to have your inspection performed by a Maine-licensed Asbestos Inspector:

Does this demolition/renovation project involve more than ONE residential building at the same site with the same owner?	Y	N
Is this building currently being used, or has it EVER been used, as a commercial, government, daycare, office, church, charitable or other non-profit place of business?	Y	N
Is this building to be demolished as part of a highway or road-widening project?	Y	N
Is this building part of a building cooperative, apartment or condo building?	Y	N
Is this building used for military housing?	Y	N
Have other residences or non-residential buildings at this site been scheduled to be demolished now, or in the future, as part of a larger project?	Y	N
Is more than ONE building to be lifted from its foundation and relocated?	Y	N
Will this building be intentionally burned for the purpose of demolition or fire department training?	Y	N

IF YOU ANSWER "NO" TO ALL THE QUESTIONS ABOVE, YOUR BUILDING CAN BE INSPECTED BY A KNOWLEDGEABLE NON-LICENSED PERSON AS APPLICABLE (SEE REVERSE SIDE)

ANY "YES" ANSWERS TO THE ABOVE QUESTIONS REQUIRES AN INSPECTION BY A MAINE-LICENSED ASBESTOS INSPECTOR

Remember:

If your renovation project requires the removal of asbestos containing materials, the removal of those materials must be done by a Maine-licensed asbestos abatement contractor.

Before you can demolish any building, including single-family residences, all asbestos materials must be removed from the building. The removal of those materials must be done by a Maine-licensed asbestos abatement contractor, except single-family homeowners may remove some asbestos under certain circumstances (Contact DEP for more information).

With the exception of a single family home, building owners are required to submit the Asbestos Building Demolition Notification to the DEP at least five (5) working days prior to the demolition **EVEN IF NO ASBESTOS** is present.

Once the asbestos is removed, the renovation or demolition project may be performed by any preferred contractor.

I CERTIFY THAT THE ABOVE INFORMATION IS CORRECT
