 Eligible Entities Master List**

The following is a listing of all CSBG Eligible Entities within your state. This should include all eligible entities that receive funding under the "not less than 90% funds" of your CSBG Allocation. This information will be used to complete questions regarding your eligible entities within the State Plan and Annual Report. As well as be used as a tracking tool in the case that the name of an entity changes, there are designations or re-designations, terminations or reductions, or mergers.

Do not include entities that only receive remainder/discretionary funds from the state or tribes/tribal organizations that receive direct funding from OCS under Section 677 of the CSBG Act.

Note: Whether nonprofit or public, entities that receive CSBG funds are generally considered to be Community Action Agencies for the purpose of administering CSBG. The only specific exceptions outlined in the CSBG Act are Limited Purpose Agencies, Migrant and Seasonal Farmworker organizations, and Tribes and Tribal Organizations.
