

# HMG Maine, First4ME & ECCP®

Dedicated to creating a future where all Maine children and families are safe, stable, happy, and healthy.

Help Me Grow is a central access point designed to connect families to information and services about child development and community resources.

In partnership with 211 Maine caregivers and providers can contact Help Me Grow for additional support. Help Me Grow will listen, link families to services, and provide follow-up to both caregivers and referral sources.

## First4ME Early Care and Education Program

Delivers programming and support services for families. Provides resources to child care providers to support high quality early care and education in child care centers and family child care settings. Ensures access to programs and services that improve social, emotional, physical and education outcomes for children from birth to kindergarten.

## Maine Early Childhood Consultation Partnership (ECCP®)

Provides infant and early childhood mental health consultation to child care providers, early childhood educators, public schools, afterschool programs, and families for children ages 0-8. ECCP® supports early childhood education providers and families to address the behavioral and social-emotional needs of young children through focused, on-site consultation and professional development opportunities.
