## PATIENT RESOURCES: OPIOID ADDICTION MEDICATION

Resources for Mainers who are prescribed a medication for opioid use disorder called buprenorphine (often referred to by the brand name Suboxone®) and have lost access to their current health care prescriber or want to start treatment.

### Need Support Now?

If you or someone you know is struggling or in crisis, help is available. Call or text [988](tel:988) or chat [988lifeline.org](https://988lifeline.org)

### How can I find a new buprenorphine prescriber?

1. Contact a primary care provider and ask for information on addiction treatment in your area. For help locating a primary care office:
  - a. Visit the Maine Primary Care Association website, [click here](#).
  - b. Visit the Treatment Connections website, [click here](#).
  - c. Call the “Find a Provider” number for your local health care system or hospital.
2. Consider an Opioid Health Home (OHH).
  - a. To learn more about OHH, [click here](#).
  - b. To find an OHH, [click here](#), for an interactive map.
    - i. If interested, call an OHH and request an intake set-up.
3. If you do not have access to the internet and would like help locating resources, call **211**.

### Where can I access the opioid reversal medication naloxone (also known as Narcan®)?

1. If you have MaineCare insurance, you can receive free naloxone at any pharmacy in Maine through the MaineCare ‘standing order’.
2. Request a prescription from any healthcare provider.
3. Purchase over the counter naloxone at most pharmacies (cost \$45-50).
4. Investigate free naloxone locations near you at [GetMaineNaloxone.org](https://GetMaineNaloxone.org)

### Where can I find recovery support?

1. To locate a recovery residence, recovery community center, OHH or other treatment and recovery services, [click here](#).
2. For help from a judgement free person with access to treatment and recovery information and support, contact your county [OPTIONS Liaison](#) (QR code)
  - a. Learn more about OPTIONS in [this video](#)
