5A. Unlike in Question 4, you will include ALL of the victims served during the reporting period in your response here. This means that the number of victimizations types must be equal to or greater than your response in Question 1.
*Note: If your agency tracks multiple victimizations, then the total number of victimizations reported here will be equal to or greater than your response to Question 1 plus your response to Question 5B, e.g. 662 (response to Question 1) + 47 (response to Question 5B) = 709. 709 is the minimum number of victimizations that should be included based on the agency's response to Question 5B, but the number of victimizations could be higher if one of the 47 victims had more than 2 victimizations.

**Only use the Other option if the victimization type doesn't fit into any other category. Refer to OVC's definitions for crime types if unsure.*

B. Of the individuals who received services, how many presented with more than one type of victimization during the reporting period? 47

5B. Only include numbers here if your agency is able to track multiple victimization types for each victim served. These victimizations also need to be accounted for in question 5A.
