Section 999-3

Rev. 12/23XX/24 – SNAP223ASNAP232A

page 1

NOTE: These tables are extended to meet the needs of certain categorically eligible households. Therefore, the amounts shown on the tables are higher than the net income limits for some household sizes. Households must have incomes below the appropriate income limits unless exempt per Section 444-8.

* Maximum Gross and Net Monthly Income figures are not used for computing the benefit amount. They are included as a reference for determining the household's eligibility.
