Maine Through Year Assessment

Optional Winter Administration

Common Question

Does my SAU/school have to administer the Maine Through Year Assessment through Acacia or can we administer MAP Growth?

The Maine Through Year Assessment is administered through the Acacia platform. Because MAP Growth is no longer a part of the state assessment program, it is only available to those SAUs who have independently purchased the MAP Growth product. Maine DOE neither promotes nor prevents SAUs' purchasing of MAP Growth, and there is no policy on which assessment an SAU administers in the winter.
