

This report only lists waters stocked under the Department's "Catchable Trout" ("Put-And-Take") management program. Under this program, anglers are encouraged to fish for recently stocked trout. Furthermore, anglers may legally harvest catchable trout without compromising the success of this stocking program. This report is updated daily during the stocking season to support stated angling objectives.

A complete listing of all waters and species stocked will be published in January.

## 2008 CURRENT SEASON CATCHABLE TROUT STOCKING REPORT
