

FORM 1041ME - GENERAL INSTRUCTIONS

WHO MUST FILE

The fiduciary or trustee of a resident or nonresident estate or trust must file Form 1041ME if the estate or trust has any:

- Maine tax additions (see Maine Schedule A, Section 1);
- Maine taxable income; or
- Gross income greater than \$10,000 for the taxable year.

Gross income equals the amount on federal Form 1041, line 9. The Maine-source income of a nonresident estate or trust is determined on Form 1041ME, Schedule NR. A resident estate or trust with nonresident or "safe harbor" resident beneficiaries must also complete Form 1041ME, Schedule NR. See the instructions for Schedule NR. See *page 2 of the Maine individual income tax booklet for a description of nonresident and "Safe Harbor" resident filing status.*

NOTE: Grantor Trusts and all Charitable Remainder Trusts are not required to file a Maine return.

FEDERAL RETURN REQUIRED

- **A completed copy of federal Form 1041 must accompany the Maine nonresident return.**
- **If the federal income (federal Form 1041, line 9) is greater than \$150,000, you must include the entire federal Form 1041 with Form 1041ME. For other returns that have a capital gain or loss, attach pages 1 and 2 and Schedule D of the federal return.**

DEFINITION OF RESIDENT AND NONRESIDENT ESTATE OR TRUST

Domicile of the decedent, grantor or settlor determines residency. Situs of the trust instrument, the property held in trust, the location of the trustees, the adoption of the laws of any state in the governing instrument are irrelevant for the purpose of determining residency.

A resident estate is the estate of a decedent who, at death, was domiciled in Maine. A resident testamentary trust is a trust which is created by the last will and testament of a decedent who, at death, was domiciled in Maine. Any estate or testamentary trust created by the will of a decedent who was not domiciled in the State of Maine at death shall be considered a nonresident estate or nonresident testamentary trust.

A resident irrevocable inter vivos trust is a trust which was created by or consisted of property of a person domiciled in Maine at the time it was funded. An irrevocable inter vivos trust will be classified as a nonresident trust if the creator of the trust is not domiciled in Maine when funded.

If the settlor of a revocable inter vivos trust is domiciled in Maine when the trust is created, the trust is considered a resident inter vivos trust until the settlor becomes domiciled in another state. A nonresident revocable inter vivos trust will become a resident trust if and when the creator of the trust becomes domiciled in Maine.

QUALIFIED FUNERAL TRUST (QFT)

If you meet the criteria of a qualified funeral trust at the federal level, you can file using the same status for Maine purposes. Check the box for "Qualified Funeral Trust" on page 1 of Form 1041ME and enter the required federal QFT taxpayer identification number (EIN) in the space provided (in the upper right corner of the return). For a Maine composite return, attach a schedule listing for each beneficiary: Maine taxable income, Maine income tax, name, social security number and whether or not the beneficiary is a resident of Maine. Since each beneficiary is considered a separate trust, Maine income tax must be calculated separately for each beneficiary. The total tax for all beneficiaries is then entered on line 4 of Form 1041ME.

BANKRUPTCY

For bankruptcy estates (chapter 7 or 11), use Form 1041ME as a transmittal for Form 1040ME. In the top margin of Form 1040ME, write "Attachment to Form 1041ME. DO NOT DETACH." Complete the name, address, and identification information at the top of Form 1041ME. Then complete Form 1040ME through line 23. Enter the amount from Form 1040ME, line 23 on line 4 of Form 1041ME, then follow the instructions for completing lines 5 - 10 on Form 1041ME.

WHEN TO FILE

The due date is April 19, 2016. For fiscal year filers, the due date is the 15th day of the fourth month following the close of the taxable year.

EXTENSIONS

A State of Maine extension request form is not required. If you are unable to file your return by the original due date of the return, Maine allows an automatic extension equal to any federal extension or 6 months, whichever is the longer period of time. **Caution: An extension to file your Maine return is not an extension for payment of tax.** If you owe money, you must pay at least 90% of that amount by the original due date for filing your return in order to avoid the penalty for late payment of tax. Any remaining tax must be paid when the return is filed by the extended due date in order to avoid the failure-to-pay penalty. Interest is charged on any tax paid after the original due date of the return.

Remit your extension payment with the payment voucher by the original due date for filing your Maine return to: Maine Revenue Services, P.O. Box 9101, Augusta, ME 04332-9101.

INTEREST AND PENALTIES

Interest will be added each month on overdue tax until the entire tax amount is paid. For calendar year 2016, the interest rate is 7% per year, compounded monthly. In addition to interest, a penalty is assessed for late filing. A separate penalty is assessed for the late payment of tax. The penalty for late filing is \$25 or 10% of the tax due, whichever is greater. If a tax return is not filed upon demand, the penalty is the greater of \$25 or 25% of the tax due. The penalty for late payment of the tax is 1% per month up to a maximum of 25%. Both penalties are assessed when the return is filed late and the tax is paid late. The law also provides for penalties for the underpayment of estimated tax, for preparing or filing a fraudulent income tax return, and for the understatement of income.

WHOLE DOLLAR AMOUNTS

Show money items as whole dollar amounts. Round down to the next lower dollar any amount less than 50 cents. Round up to the next higher dollar any amount 50 cents or more.

ACCOUNTING PERIODS AND METHODS

The accounting period and the method of accounting used are the same as those used for federal tax purposes (for more information, see instructions for federal Form 1041). If the taxable year or method of accounting is changed for federal income tax purposes, the change also applies to the Maine return.

REPORT OF CHANGE IN MAINE TAXABLE INCOME

If the amount of the federal taxable income is changed or corrected by the Internal Revenue Service, or if the Maine tax liability changes for any other reason, the fiduciary must report the changes on an amended Maine return within 180 days after the final determination of the change. Any fiduciary filing an amended federal income tax return must also file an amended Maine return within 180 days.

Failure to comply with these requirements could result in failure-to-file and failure-to-pay penalties. To file an amended return, use Form 1041ME for the year(s) you are amending and check the “amended return” box at the top of the form. **Attach a statement explaining the applicable changes and a copy of your federal amended return or Internal Revenue agent’s report to the Maine amended return.**

PAYMENT OF ESTIMATED TAX

Estates and trusts subject to Maine income tax are required to make installment payments of estimated tax if the estimated tax liability is \$1,000 or more or an unusual event has occurred. Generally, payments must be made in four equal installments due April 15, June 15, September 15, and January 15. Payments can be made electronically using Maine EZ Pay (no forms required) at www.maine.gov/revenue or download Form 1041ES-ME (and the instructions for Form 1040ES-ME) at www.maine.gov/revenue/forms or call (207) 624-7894 to order the forms.

Note: Maine’s estate/trust estimated tax filing requirements

differ from federal requirements in that Maine Form 1041ME estimate payments must be made after the first year filing. 36 M.R.S. § 5228.

THIRD PARTY DESIGNEE

You may designate a third party to discuss your return with Maine Revenue Services by checking the “Yes” box on page 1 of Form 1041ME. Also enter the person’s name, phone number, and any 5-digit number the person chooses as their personal identification number (PIN). Checking the “Yes” box will enable Maine Revenue Services to call the person you have chosen if there are any questions or if additional information is needed to process your return.

SIGNATURE

Any person who prepares a taxpayer’s return for compensation must also sign and enter his or her social security number or PTIN as assigned by the IRS. If the return is prepared by a firm or corporation, the federal identification number of the firm must also be listed.

If any of the property placed in service in tax year 2015 is located in Maine and the Maine capital investment credit is claimed, the total addition modification must be divided between lines 1e and 1f. Otherwise, the entire addition must be entered on line 1f. Enclose copies of the original and pro forma federal Forms 4562, along with the add-back calculation, with the return.

tax year 2015. For example, if you purchased \$400,000 of eligible property and \$100,000 of that property is located in Maine and included in the credit base, the portion of the add-back to include on this line is \$100,000/\$400,000 or 25% of the total bonus depreciation add-back calculated above.

Property that is transferred out-of state or disposed of within 12 months after being placed in service in Maine is not eligible for the Maine capital investment credit. Amounts claimed on this line are not eligible for the recapture subtraction modification on line 2f.

SCHEDULE 2 – ALLOCATION OF FEDERAL INCOME AND MAINE-SOURCE INCOME

The purpose of this schedule is to show the distribution of federal distributable net income (DNI) and Maine-source income of nonresident and “safe harbor” resident beneficiaries. See page 2 of the *Maine individual income tax booklet* for a description of nonresident and “Safe Harbor” resident statuses. **ALL estates/trusts must complete Schedule 2.**

Column 1. Enter the name of each beneficiary of the estate or trust, including nonresident and “safe harbor” resident beneficiaries. Enter the estate/trust name on line f. If there are more than 5 beneficiaries, use a separate sheet of paper.

Column 2. Enter the respective shares of federal distributable net income of each beneficiary and of the estate/trust on the appropriate lines.

Column 3. Determine the percentage share for each beneficiary and for the estate/trust based on the amounts in column 2.

Columns 4 and 5. Enter the state of domicile and the social security number/EIN of each beneficiary of the estate or trust, including nonresident and “safe harbor” resident beneficiaries.

Column 6. Nonresident estates or trusts enter on line g, column 6, the amount from Schedule NR, line 4, column B. For lines a

through e, allocate line g to the nonresident and “safe harbor” resident beneficiaries in proportion to their respective shares of federal distributable net income. The income, as allocated, has the same character as it does for federal income tax purposes.

Resident estates or trusts with nonresident and “Safe Harbor” resident beneficiaries must complete a pro forma Schedule NR (as if the estate or trust were a nonresident estate or trust) in order to complete Column 6 of Schedule 2. Enter on Schedule 2, line g, Column 6 the amount from Schedule NR, line 4, Column B. Follow the instructions for completing Schedule NR. Attach a copy of the pro forma Schedule NR to the Maine income tax return for the estate or trust. Do not complete column 6 for resident beneficiaries (except “Safe Harbor” resident beneficiaries).

If the estate or trust has no federal distributable net income, the share of each beneficiary in the Maine-source income is in proportion to the beneficiary’s share of the estate or trust income for the taxable year, including that which is required by local law of the governing instrument to be distributed in such year. Any balance of the Maine-source income not allocable to beneficiaries shall be allocated to the estate or trust. If the shares in the Maine-source income are allocated in accordance with this paragraph, show the allocation in a schedule attached to the return.

SCHEDULE 3 – CREDIT FOR INCOME TAX PAID TO ANOTHER JURISDICTION

Resident estates and trusts may claim a credit against Maine income tax for income tax paid to another jurisdiction if all the following conditions are met:

- (1) The other jurisdiction is another state, a political subdivision thereof, the District of Columbia, Canadian Province or any political subdivision of a foreign country that is like a state of the United States.
- (2) The tax paid to the other jurisdiction is directly related to the income received during the tax year covered by this return. Tax payments made to other taxing jurisdictions for prior year tax liabilities cannot be considered when computing this credit.

- (3) The income taxed by the other jurisdiction is derived from sources in that jurisdiction determined in the same manner as Maine-source income is determined for nonresidents of Maine under 36 M.R.S. § 5142.

Line 4b is the income tax assessed by the other jurisdiction minus any tax credits (except withholding and estimated tax payments). Complete a separate Schedule 3 for each jurisdiction to which taxes are paid and for which a credit is being claimed. Enclose a copy of each Schedule 3 completed. Add the credits together and enter the total on Schedule A, line 4. **Attach a copy of the income tax return filed with the other jurisdiction.**
