

Forest Management Planning Credit Worksheet for Tax Year 2015 36 M.R.S. § 5219-C

TAXPAYER NAME: _____ SSN: _____

Once every ten years, an individual taxpayer is allowed a credit against the tax otherwise due for the lesser of \$200 or the individual's cost for having a forest management and harvest plan developed by a licensed professional forester for a parcel of forest land in Maine greater than ten acres. The licensed professional forester may not be in the regular employ of the individual taxpayer. The credit may not reduce the tax otherwise due to less than zero. An individual claiming the credit must attach a statement from the forester supporting the claim and swear that the credit has not been claimed by the individual in the previous ten years. An individual claiming the credit who deducts the cost of the forest management and harvest plan as an expense under the Code must increase federal adjusted gross income by the amount of that expense for purposes of the Maine income tax.

To be completed by the licensed forester:

I hereby swear that I have developed a forest management and harvest plan for _____
