FILING TAX RETURNS

Use the **MTP** at <https://revenue.maine.gov/> to file the following returns electronically:

- Blueberry tax
- Potato tax
- Mahogany quahog tax
- Railroad excise tax
- Health care provider tax
- Marijuana excise tax
- Insurance premiums tax
- Fire investigation and prevention tax
- Nonadmitted premiums tax

All MRS electronic filing systems can be accessed at www.maine.gov/revenue. Select “Electronic Services” and then select the electronic filing system you want to use. All of the Maine electronic filing systems allow you to complete tax returns online without specialized software. There is no cost for using these systems and all provide confirmation that your return was received. Contact the appropriate tax unit if you are unable to file electronically. See page 2 for contact information.

Note that withholding and sales/use and service provider tax returns are generally **required** to be filed electronically using one of the MRS electronic filing systems described on page 3. Also note that MEETRS uses specially formatted files containing withholding tax data that is uploaded via the MRS website. For more information, see the instructions for Form 941ME.

Taxpayers unable to meet the electronic filing requirement because of undue hardship may request a waiver from the State Tax Assessor. For more information on electronic filing mandates, see MRS Rule 104 at www.maine.gov/revenue/rules.

Unless otherwise noted, these tax returns listed above may also be filed on paper.

WHAT SHOULD I DO IF I CANNOT PAY THE TAX I OWE?

If you cannot pay your entire tax liability, pay as much as you can and contact the MRS Compliance Division for payment options. See page 2 for telephone numbers. Tax returns should be filed on or before the due date to avoid penalty charges for late filing.

INTEREST: Interest is charged monthly on taxes owed to MRS until the entire amount of tax and interest due has been paid.

PENALTIES: MRS may impose several different penalties. Two common penalties are:

- **Failure to File Penalty.** Failure to file penalties are computed on any return that is filed after its due date.
- **Failure to Pay Penalty.** Failure to pay penalties are imposed on tax that remains unpaid after the due date.

Where both failure to file and failure to pay exist, both penalties will be imposed.

An explanation of interest and penalty charges is available from Maine Revenue Services.

MAINE REVENUE SERVICES TAXPAYER PRIVACY POLICY

MRS maintains the highest standards in handling personally identifiable taxpayer information. Taxpayers have the right to know what information is kept on file about them, to have reasonable access to it, and to receive a copy of their file. Under penalties of law, employees and agents of MRS are prohibited from willfully inspecting information contained on any tax return for any purpose other than in the conduct of official duties. In addition, MRS employees and agents are prohibited from disclosing tax information to anyone other than the taxpayer except in a limited number of very specific circumstances. **Unassociated third parties may not receive information pertaining to tax returns without written permission from the affected taxpayer except as allowed under law.** Communications that do not meet the definition of tax information are subject to the general confidentiality and public inspection provisions of Maine’s “Freedom of Access” laws. When confidential taxpayer information is stored by MRS, it is kept in a secure location where it is accessible only to authorized employees and agents of MRS. If you have any questions regarding the Privacy Policy, please contact MRS at (207) 626-8475.

NOTICE REGARDING UNPAID TRUST FUND TAXES

Trust fund taxes include sales & use taxes, gasoline tax, special fuels tax, recycling assistance fees, and income tax withholding. Under Maine law, the owner(s) and person(s) who control the finances of a business may be liable for any unpaid trust fund taxes. The purchaser of a business or the stockholders of a business are required to withhold from the purchase price the amount of trust fund taxes, interest and penalties owed by the previous owner. A purchaser who fails to withhold these debts can be held liable for the payment of these taxes, interest and penalties. 36 M.R.S. § 177(1).

If you are not sure that the previous owner has paid all trust fund taxes incurred by the business, you should ask the previous owner to request a tax clearance letter from the Compliance Division of Maine Revenue Services. A tax clearance letter can be requested electronically at www.maine.gov/revenue/about/contact (scroll to *Specific Taxes and Other Programs*, then to *Tax Clearance Letters*). **If you owe Maine taxes, or if the previous owner of your business has not paid all trust fund taxes, processing of your tax registration application may be delayed or denied.**

Individuals and certain estates must provide their social security numbers. All other applicants must provide a federal Employer Identification Number (EIN).

A federal EIN must be provided to register for Maine Income Tax Withholding. To obtain a federal EIN, go to www.irs.gov to apply online or download IRS Form SS-4, Application for Employer Identification Number. To contact the IRS by phone, call 1-800-829-4933.

Spouses must not check "Partnership" unless the business files federal income tax returns (IRS Form 1065) as a partnership. Corporations, limited partnerships and limited liability companies must provide incorporation or registration information.
3. Enter the type of business (wholesale, retail, service group, manufacturing, contractor, governmental, nonprofit, marketplace facilitator, other [explain]), and a concise description of the principal activity of your business or organization.
4. Corporations, partnerships, associations, nonprofit organizations and others **must** provide the names of two directors, officers, trustees, personal representatives, partners, members or responsible parties. One of those named must be the person responsible for the finances of the company or organization. **Social security numbers are required.** A list of all partners or officers is not required.
5. Provide the names, EINs and addresses of other businesses you own/the entity owns. Attach additional sheets if more space is needed.
6. Indicate how your business was acquired. If you are establishing a new business with no previous owner, check the new start-up box. SECTION 2 - INCOME TAX WITHHOLDING (Payroll and most non-payroll distributions)

Generally, a person who maintains an office or transacts business in Maine and who must withhold federal income tax from payments subject to tax in Maine must also withhold Maine income tax. This requirement applies to both resident and nonresident individuals. Payments subject to tax in Maine include unemployment compensation connected with Maine employment. Payments to a nonresident from pensions, annuities and other intangible sources may be subject to withholding of Maine income tax in certain cases.

Persons registering for Maine income tax withholding accounts must provide a federal Employer Identification Number (EIN). See Instructions for Section 1, line 1.

7. Enter the date you began withholding or were required to begin withholding. If not yet operating, enter estimated business start date. See Maine Revenue Services ("MRS") Rule 803 for details about required withholding tax reports and payments (www.maine.gov/revenue/rules). A quarterly remittance schedule will apply for all first year income tax withholding. If your business is in the second or subsequent year(s) of operation, and the aggregate amount of withholding reported for the prior July-June lookback period was \$18,000 or more, you must remit withheld tax on a semi-weekly basis based on payroll/distribution dates. MRS monitors taxpayer compliance for this requirement. The lookback period for each calendar year is the 12-month period ending on the preceding June 30. For example, the lookback period for calendar year 2022 is the period July 1, 2020 through June 30, 2021. If you have any questions about this requirement, contact MRS at (207) 626-8475 (select option 4).
