INSTRUCTIONS

Line 1. Enter the municipality name.

Line 2. Enter the most recent certified ratio, as declared on the 2023 Certified Ratio Declaration form.

Line 3. Enter the mill rate used by the municipality for the property tax year beginning April 1, 2023.

Line 4. Enter the mill rate used by the municipality for the property tax year beginning April 1, 2022.

Line 5. Enter the number of applications for the Stabilization Program that were filed with the municipality by the December 1, 2022 deadline. This includes all filed applications, whether or not they were approved.

Line 6. Enter the number of applications that were approved by the municipality to participate in the Stabilization Program for the tax year beginning April 1, 2023. Keep all applications for your records. Do not attach or include any applications to this form. Approved applications will be reviewed during the municipality's annual state valuation review.

Line 7. Enter the total reimbursement being requested by the municipality. For each approved participant, calculate the amount by which the tax assessed on the participant's qualifying homestead exceeds the stabilized amount that was actually billed to the participant. Exclude any property for which the tax assessed this year is less than the stabilized amount. The municipality is entitled to reimbursement for the total of the excess amounts for all qualifying participants.
